

Invitation to Hospital Without Borders Press Conference

GENEVA, Switzerland, 17 May, 2018. Hospital Without Borders (HWB) is an international project supported by international professional associations, as well as Taiwanese crowd-funders and public organizations. HWB will launch its first global exhibition in downtown Geneva, and offer press conference on 19 of May, which coincides with the upcoming 71st World Health Assembly.

HWB will address six topics from the 71st WHA provisional agenda, ranging from medical outreach in developing countries, to global epidemic prevention. HWB will showcase Taiwan's public health achievements and the National Health Insurance program with a Taiwanese hospital experiential tour. HWB welcomes government officials from all countries and the media to the press conference. Taiwan Minister of Health and Welfare Shih-Chung Chen (陳時中) will be present at the event.

Date/Time: 2pm, 19 May, 2018

Exhibition Venue: L'icebergues, Places des Bergues 3, 1201 Geneva.
